*Certification basis is set forth in Type Certificate Data Sheet H11EU.

Original Product Type Certificate Number: H11EU

Make: Airbus Helicopters

Model: AS355E, AS355F, AS355F1, AS355F2

Description of Type Design Change: Installation of attendant's jump seat in accordance with Consolidated Aire Systems Drawing List Report Number DL-22, Revision N/C, dated January 31, 1987, or later FAA approved revision.

Limitations and Conditions: Compatibility of this design change with previously approved modifications must be determined by the installer. This approval should not be extended to rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this certificate must be maintained as part of the permanent records for the modified rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
