Supplemental Type Certificate

Number SA954CE

This certificate issued to: Hawker Beechcraft Corporation
9709 E. Central
Wichita, KS 67206

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 4b *of the* Civil Air *Regulations.*

Original Product - Type Certificate Number: A3EU

Make: Hawker Siddeley

Model: BH125-600A

Description of Type Design Change: Install seat belts and shoulder harness in accordance with FAA approved copy of Beech Drawing No. 125-001147 and subordinate data.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 23, 1973

Date reissued: April 15, 1996; March 26, 2007

Date of issuance: September 20, 1973

Date amended:

By direction of the Administrator
