Supplemental Type Certificate

Number: **ST00075AT**

This certificate issued to: **Honeywell International Inc.**
21111 N 19th Ave
Phoenix, Arizona 85027

Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 4b *of* Civil Air Regulations.

Original Product Type Certificate Number: A6WE

Make: Boeing

Model: DC-9-10, -20, -30, -40, and -50 Series

Description of Type Design Change:

Installation of a CAS-81 TCAS II in accordance with Master Drawing List No. 159-08200-0001, Revision C, dated March 30, 2000, or later FAA approved revision.

Limitations and Conditions:

FAA approved Airplane Flight Manual Supplement No. 159-08200-0010, Revision B, dated October 19, 1999, or later FAA approved revision, is a required part of this STC. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: November 24, 1992 *Date Reissued:* July 27, 2000; January 4, 2022

Date of Issuance: January 15, 1993 *Date Amended:* September 20, 1999

By Direction of the Administrator

Signature:

For Acting Manager, Seattle ACO

Title: Branch

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
