Supplemental Type Certificate

Number ST10963SC

This Certificate issued to BIZJET International
3515 North Sheridan
Tulsa, OK 74115-2220

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 *of the* Federal Aviation Regulations.

Original Product Type Certificate Number: A28NM

Make: Airbus

Model: A318 Model -112

Description of Type Design Change: Installation of a Miltope Wireless Access Point in accordance with Master Data List 1110000200, Revision B, dated December 18, 2009, or later FAA approved revision. Airplane Flight Manual Supplement 1111021090, Revision IR, dated December 18, 2009, or later FAA approved revision, is required.

Limitations and Conditions: The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

(See continuation sheet 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 05, 2008

Date of issuance: December 18, 2009

Date reissued:

Date amended:
