Supplemental Type Certificate

Number: SA924CE

This certificate issued to: Textron Aviation Inc.
One Cessna Boulevard
Wichita, KS 67215

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 4b *of the* Civil Air Regulations.

Original Product – Type Certificate Number: A3EU

Make: Hawker Siddeley

Model: BH125-600A

Description of Type Design Change:

Collins 356F-3 and 356C-4 Audio Amplifier System installation in accordance with stamped "FAA Approved" Beech Aircraft Corporation Drawing No. 125-001137( ) and subordinate data listed therein.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: May 10, 1973

Date Reissued: April 15, 1996; March 26, 2007; December 1, 2016

Date of Issuance: June 21, 1973

Date Amended:

By Direction of the Administrator

Signature _____

Title Mark Fuller
STC ODA administrator
ODA-100129-CE

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
