Supplemental Type Certificate

Number SR00549DE

This certificate, issued to **Air Comm Corporation**
1575 124th Street
Westminster, CO 80234

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Title 14, Part 27 *of the Code of Federal Regulations.*

Original Product—Type Certificate Number: R0001RD

Make: Airbus Helicopters

Model: EC120B

Description of the Type Design Change:

Installation of Bleed Air Cabin Heater/Defroster System in accordance with Air Comm Corporation Master Drawing List Report No. DL-EC120H, Revision A, dated March 8, 2004, FAA approved May 13, 2004, or later FAA approved revision.

Limitations and Conditions:

1. A copy of this Certificate and FAA Approved Rotorcraft Flight Manual Supplement Number EC120BH-1, Rev A, dated May 13, 2004 or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft.
2. Instructions for Continued Airworthiness, Air Comm Corporation Heater Service Manual EC120H-100M-1, Revision 0, dated February 11, 2004 FAA accepted April 14, 2004 or later FAA accepted revision is required for this installation.
3. This approval should not be extended to rotorcraft of this model on which other previously approved alterations are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved alterations, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft.
4. A copy of this Certificate must be maintained in the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 15, 2004

Date reissued: August 15, 2014

Date of issuance: May 13, 2004

Date amended:

By direction of the Administrator
