Supplemental Type Certificate

Number: SA02306LA

This certificate issued to: Team J.A.S
8493 Baymeadows Way
Jacksonville, FL 32256

Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 *of* Civil Air Regulations.

Original Product Type Certificate Number: A9EA

Make: De Havilland Aircraft of Canada Limited

Model: DHC-6-300

Description of Type Design Change:

Modify existing Wipaire Inc.'s STC SA100CH installed on Viking Air Limited DeHavilland Model DHC-6-300 airplanes in accordance with R.W. Martin, Inc.'s Drawing List Number RL-03-0000, Revision C, dated June 24, 2010, or later FAA approved revision. Maintain and operate the airplane according to Master Data List Number ER218-3201, Revision B, dated June 22, 2010, or later FAA approved revision.

Limitations and Conditions:

The Installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval must remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: 04/24/2009

Date Reissued: 11/18/2020 07/07/2025

Date of Issuance: 07/12/2010

Date Amended:

By Direction of the Administrator

Signature:

Title: for Manager, West Certification Branch

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
