Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number SA2352CE

This certificate, issued to Commuter Air Transport, Inc.
429 N. St. Francis
Wichita, Kansas 67202

certifies that the change in the type design for the following product with the limitations and conditions thereof as specified hereon meets the airworthiness requirements of Part 23 *of the* Federal Aviation *Regulations* effective February 1, 1965, plus amendments and Special Conditions as noted on the Type Certificate Data Sheet.

Original Product—Type Certificate Number: A24CE

Make: Beech Aircraft Corporation

Model: 200, 200C and A200C

Description of Type Design Change: Increase Maximum Zero Fuel Weight from 10,400 lbs. to 11,000 lbs. Data required: (1) Commuter Air Transports, Inc. Drawing No. CE115W1032/CAT-001, dated January 27, 1988, or later FAA Approved revision. (2) After April 3, 1992, all installations shall be accomplished in accordance with Commuter Air Transport, Inc. Drawing No. CAT 2352-001, Revision 2, dated March 15, 1992, or later "FAA Approved" revisions, and applicable FAA Approved Airplane Flight Manual Supplement No. CAT 88-1 or CAT 88-1A dated January 27, 1988, or later FAA Approved revision.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. This modification and STC SA2307CE are compatible.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 23, 1987 *Date reissued:*

Date of issuance: January 27, 1988 *Date amended:* April 6, 1992

By direction of the Administrator
