Supplemental Type Certificate

Number: **SA4381WP**

This certificate issued to: **CheckSix AeroSolutions, LLC**
2132 E Avion St., Suite A
Ontario, CA 91761

Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 *of* the Civil Air Regulations effective November 13, 1947.

Original Product
Type Certificate Number: A-777

Make: Beech

Model: 35,A35, B35,C35, D35, E35, F35,G35

Description of Type Design Change:

Replace instrument panel in accordance with Aviation Enterprises, Inc., Drawing No AEC-P-2001, Revision B, dated October 5, 1981, or later FAA approved revision.

Limitations and Conditions:

Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: July 30, 1981

Date Reissued: August 11, 1995; October 23, 2003; April 15, 2022; July 27, 2023

Date of Issuance: December 8, 1981

Date Amended: October 23, 2003

By Direction of the Administrator

Signature:

for Manager, West Certification Branch

Title:

Any alteration of this certificate is punishable by a fine of not exceeding $1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
